BRIEF CLASSIFICATION:

FOUO

Port Visit Program

11 October 2006

Purpose

- **Scheduling guidelines and priorities for Commander Seventh Fleet**
- **Support Country Team access and engagement goals**
- **Provide overall framework governing USN ship visits & locations**
  - **50 – 60 USN ship visits annually**
  - **Support Exercise driven visits**
  - **Prioritize Non-Exercise port visits**

Goals

- **Maximize public support for the U.S.- Korea Security Relationship**
- **Establish and maintain access to ports throughout the peninsula**
- **Influence key leaders through participation in professional and community relations events**
- **Support Theater Security Cooperation Plan, Maritime Influence Plan (MIP) and Strategic Communication objectives**
- **Increase USN familiarity and knowledge of a variety ports through a program of regularly scheduled USN port visits**

Procedural Requirements

REQUIREMENTS

- Diplomatic Clearance requests not required
- LOGREQ submitted 30-15 Days prior
  - CFAC Chinhae for all USN ships
  - MSC Pusan for all USNS ships
  - CNFK for Port of Inchon
- AMEBASSY SEOUL and USDAO SEOUL as info for any CVN or LCC visits

Team Effort

CNFK HQ Staff

- Coordinate engagement opportunities (USKF, AMEMB, JUSMAG, etc)
- Provide port visit scheduling guidance
- Interface with ROK Fleet Staff as required
- Links to MWR, DHL and local info

CFAC

- Port Guide message to visiting ships
- Respond to LOGREQs
- Arrange all support services
- Arrival port briefs
- Arrange/coordinate COMREL events

MWR

- Website linked from CNFK Homepage
- Advance event coordination via email
- Tours, Events and activities

EFFECTS

- **Engagement Events**
  - **Increased Quality & Quantity**
- **Increase access**
- **Increase influence**
- **Promote positive USN image**
- **Enhanced cultural experience for visiting sailors**

Commercial Pier Acces

- Pier/Berth access negotiated with commercial port operator via CFAC
- Port costs incurred
- Security not provided by ROKN – must contract
- Pier/Berth access may not be granted
- ROKN/MND will assist but cannot mandate access unless during contingency
- Affects dual use ports such as Pyongtaek, Pohang, Donghae and Mokpo

Issues

- Support Foal Eagle 07 related port visits
  - Cannot guarantee availability of commercial pier space
    - ESG Pohang port visit
    - Donghae visit
- Cheju-do Port Visit
  - CNFK priority
  - Korean vacation spot
  - Expensive
  - Site of future ROKN Naval Base

Summary

- **Promote more effective use of the 50+ USN regularly scheduled Korean peninsula port visits**
- **Greater distribution of port visits throughout the peninsula**
- **Support Strategic Objectives**
- **Enhance port visit planning and cooperation**
